

The Honorable Douglas H. Wilkins
Lawrence Superior Court
43 Appleton Street
Lawrence, MA 01840

Dear Judge Wilkins,

I am writing you this letter to attest to my father in law character and the great person he is. I met Lenny Degnan five years ago when I began dating his daughter, my future bride to be. Upon meeting Lenny Degnan, he immediately brought me into his family and made me feel inclusive as one. Lenny encouraged me to take risks which is part reason for where I am today career wise and also showed me the way on how to achieve my dreams with integrity, loyalty, and dedication. A lot of the qualities that I see in my future bride to be.

Lenny Degnan is a tremendous asset to our community, but most importantly to his family. He's raised all his kids to be loyal, caring, thoughtful individuals to society. His family is a direct reflection of him. I hope my sincere words are taken into consideration as you determine Lenny Degnan's sentence. I hope you can make Lenny's wish of attending his daughter's wedding a reality.

I respect the magnitude of a decision you have to make in rendering a sentence and appreciate the opportunity to express the way I feel about Lenny Degnan, my future father in law.

Thanks for your consideration.

Respectfully submitted,

Carlos Ruiz
